**15. Translations**

One means to facilitating higher development within Thailand is to expose Thais to the great thinkers of other cultures. This is accomplished by translating notable texts into Thai. As well, one way of increasing Thailand’s role in the global arena is to better familiarize people from other cultures with some of the best of Thailand. Of note, is Dr. Kriengsak Chareonwonsak’s translation of the Queen’s diary of some of her state visits.

**Translated into Thai**

- by Janet Lowe ,he World’s Greatest EntrepreneurInsight from t :Bill Gates Speaks
